

Celebrating Taiwan's National Birthday

Austin Taiwanese Chamber of Commerce Presents

Guest speaker—Expert on Global Warming

Dr. Wei-Min Hao

Member of the 2007 Nobel Peace Prize Recognized Intergovernmental Panel on Climate Change

Dr. Wei-Min Hao, a native of Taiwan and a graduate from MIT and Harvard University, will share his unique experiences in Africa and South America while writing the UN's Global Warming paper and his road of pursuing his goals in the U.S.

“The Roles of Fires in Our Changing Atmosphere”
