- I would like to support AARC in providing emergency needs to the Typhoon Morakot victims in Taiwan, where Typhoon Morakot hit south Taiwan hard on 8-8-2009 with record high 102” rain fall causing catastrophic mudslides in mountainous areas and severe flooding in plain areas. The mudslides have buried thousands of homes and many people. The water flooded and washed away villages, homes, roads, bridges, etc. and trapped victims. Rescue operation has been extremely challenging. Taiwan is appealing for international assistance.**
