SPONSORSHIP INVITATION

We invite you to join us as a partner in our gala event "An Evening in Asia" to be held on August 22, 2009. Major political and community leaders from Austin are expected to attend, as are all the many nationalities from Asia who call Austin home. This event will feature a rich cultural program to showcase the many Asian communities that are part of the social fabric of Austin and which contribute to the rich cultural and ethnic diversity that makes Austin such a unique city.

NAAO, the host for this event, is a 501(c)4 non-profit umbrella organization that consists of 16 member organizations representing different nationalities from Asia. NAAO's mission is to unite all Asian-Americans through social service, education and cultural programs that benefit the Asian-American community and the city of Austin. Examples of this mission include annual health fairs and support for the creation of the Asian American Resource Center in partnership with the city of Austin. NAAO was established in 1996 and since then has become a leading service network and advocate for the Asian American community.

"An Evening in Asia" will serve as the principal fundraiser to support NAAO to achieve the above-mentioned goals. Therefore, we are inviting you to join us as a partner in this event with a generous contribution to the NAAO to ensure a successful event. Details on the different partnership levels are attached here with this invitation. Your donation will be listed in our souvenir program which will be distributed to our guests. Also, if you wish to distribute your business cards or other literature, please send us a supply at the address below.

With your support, NAAO can continue its programs that will benefit the Asian American community and the city of Austin. If you have any questions, please contact Erica Estetter at (512) 407-8240 ext.302, or email erica@austinaacc.org
